SALON LOUNGE CHAIR & STOOL

by cameron foggo

Salon chair is an open invitation to enter oblivion. Irresistible fluffy cushions sit atop a squared base, with a loose fabric cover, easily removable for cleaning. A roll-shaped detail at the top of the backrest is a whimsical nod to the classical salons of times past.

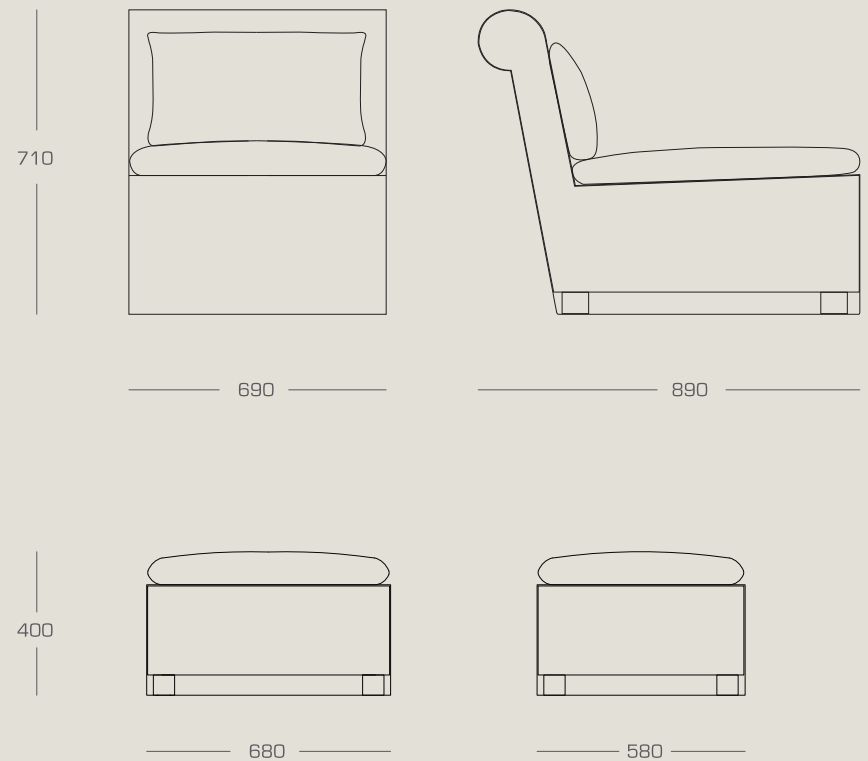

AVAILABLE IN THE FOLLOWING CONFIGURATIONS

salon lounge chair
690W x 890D x 710H

salon stool
